

# Interim Newsletter

## WE NEED YOU!

As you know, every Christmas we ask and urge our shops to decorate their windows for the festive season.

We usually suggest a theme or two and award prizes for the three entries to be judged the best in their chosen category.

Decorated shop fronts make such a difference to the look and feel of our main streets, both during normal opening hours and after dark.

You have hopefully seen that this year there are plans to light up as much of our town as we are able, to make the whole of the period from the annual Cavalcade of Light (last Friday in November) to Christmas itself, bright and colourful.

**And this is where we are asking for your help.**

If you normally do decorate your shop front each year, **thank you.**

If you don't, would you please consider doing it this year?

**There will be just one category, and that is that the theme is to be LIGHTS.**

We would like to see every shop lit up in time for the Cavalcade and turn our streets into a genuine Festival of Light.

*AND relating to the Cavalcade.....If you have been given a questionnaire with this newsletter would you please complete it for us (WATP & WATC) in order that we can come and collect it from you in the next couple of days.*

**YOUR HELP IS REALLY APPRECIATED**

**Waltham Abbey Town Partnership is working closely with Waltham Abbey Town Council in establishing the views of our local businesses, and both are grateful for your participation.**
