1. Shine - Take That

You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole
And I want you to get out
I don't know what there is to see
But I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out
All your anticipation pulls you down
When you can have it all, you can have it all

So come on
So come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey
So come on
See the light on your face
Let it shine, just let it shine
Let it shine

Stop (stop) being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come 'round
You only have to open your eyes
You might just get a big surprise
And it may feel good
And you might want to smile, smile, smile
Oh, don't you let your demons pull you down
'Cause you can have it all
You can have it all

So come on
Oh, come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey
So come on
See the light on your face
Let it shine, just let it shine
Let it shine

2x Hey! Let me know ya
You're all that matters to me

So come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey
So come on
See the light on your face
Let it shine, just let it shine
Let it, let it shine

3x Let me know ya
You're all that matters to me
Oh, c'mon
See the light on your face
Let it shine, just let it shine
Shine

2. Waterloo Sunset - The Kinks

Dirty old river, must you keep rolling
Flowing into the night?
People so busy, make me feel dizzy
Taxi light shines so bright
But I don't need no friends
As long as I gaze on
Waterloo sunset
I am in paradise

Every day, I look at the world from my window
But chilly, chilly is the evening time
Waterloo sunset's fine (Waterloo sunset's fine)

Terry meets Julie, Waterloo station
Every Friday night
But I am so lazy, don't want to wander
I stay at home at night
But I don't feel afraid
As long as I gaze on
Waterloo sunset
I am in paradise

Every day, I look at the world from my window
But chilly, chilly is the evening time
Waterloo sunset's fine
(Waterloo sunset's fine)

Millions of people swarming like flies 'round
Waterloo underground
But Terry and Julie cross over the river
Where they feel safe and sound
And they don't need no friends
As long as they gaze on
Waterloo Sunset
They are in paradise

Waterloo sunset's fine
(Waterloo sunset's fine)

3. All You Need is Love - The Beatles

Love, love, love
Love, love, love
Love, love, love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say, but you can learn how to play the game
It's easy

There's nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do, but you can learn how to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, love, love
Love, love, love
Love, love, love

All you need is love
All you need is love
All you need is love, love
Love is all you need

There's nothing you can know that isn't known
Nothing you can see that isn't shown
There's nowhere you can be that isn't where you're meant to be
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

4. Mr Blue Sky - ELO

Sun is shinin' in the sky
There ain't a cloud in sight
It's stopped rainin' everybody's in a play
And don't you know
It's a beautiful new day, hey hey

Runnin' down the avenue
See how the sun shines brightly in the city
On the streets where once was pity
Mr. Blue Sky is living here today, hey hey

2x Mr. Blue Sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?

Sun is shinin' in the sky
There ain't a cloud in sight
It's stopped rainin' everybody's in a play
And don't you know
It's a beautiful new day, hey hey

Hey you with the pretty face
Welcome to the human race
A celebration, Mr. Blue Sky's up there waitin'
And today is the day we've waited for

Mr. Blue Sky please tell us why
You had to hide away for so long (so long)
Where did we go wrong?

Hey there Mr. Blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you

Hey there Mr. Blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you

Mr Blue Sky x3

Mr. Blue, you did it right
But soon comes Mr. Night creepin' over
Now his hand is on your shoulder
Never mind I'll remember you this
I'll remember you this way

Mr. Blue Sky please tell us why
You had to hide away for so long
Where did we go wrong?

Hey there Mr. Blue
We're so pleased to be with you
Look around see what you do
Everybody smiles at you

Ba ba, ba ba ba ba x3
Ba Ba
Ba ba, ba ba ba ba x3
Ba Ba

5. We Are the Champions - Queen

I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes
I've made a few
I've had my share of sand
Kicked in my face
But I've come through

(And we mean to go) on and on and
on and on

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World

I've taken my bows
And my curtain calls
You brought me fame and fortune
And everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise
I consider it a challenge before
The human race
And I ain't gonna lose

(And we mean to go) on and on and
on and on

2x We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World

6. One Day Like This - Elbow

Drinking in the morning sun
Blinking in the morning sun
Shaking off a heavy one
Yeah, heavy like a loaded gun

What made me behave that way?
Using words I never say
I can only think it must be love
Oh anyway, it's looking like a beautiful day

Someone tell me how I feel
It's silly wrong, but vivid right
Oh, kiss me like a final meal
Yeah, kiss me like we die tonight

'Cause holy cow, I love your eyes
And only now I see the light
Yeah, lying with you half awake
Oh, anyway, it's looking like a beautiful day

When my face is chamois creased
If you think I wink, I did
Laugh politely at repeats
Yeah, kiss me when my lips are thin

Get the lyrics on your phone

'Cause holy cow, I love your eyes
And only now I see the light
Yeah, lying with you half awake
Stumbling over what to say
Well, anyway, it's looking like a beautiful day

So throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me
right for life
(Repeat to end)
